Give Your Patients the Financing They Need

Don't let your patients walk out the door without the services they want. JoVai's Finance Program provides credit options where traditional financing isn't a good fit. Applying through our Portal is so simple that your patients will know if they are approved for financing before leaving your office. There's no reason to wait – **call JoVai Capital today.**

312.778.6300 | info@jovaicapital.com

Program Benefits:

- Capture patients that would otherwise walk out your door, due to the inability to pay
- Simple, Low-Interest Plans for your patients
- Say "Yes" to more patients by offering financing to patients with less-than-perfect credit
- No pre-payment penalty and no penalty interest
- Instant Approvals
Complete automation
- Legal compliance
- Complements other patient finance programs

Program Outline:

At Jovai Capital we provide financing for the full range of patients' credit situations. You receive immediate payment, while JoVai Capital offers a set of terms ideal for the patient's preferences.

- *Your business will be able to funds clients for purchased contracts on a daily basis.*
- *You enjoy quick and easy access to JoVai to our Portal, so that you can get the information you need, initiate a new loan or check on current accounts and then get right back to work.*
- *Patients can customize terms for procedures and self-pay plans. Most applications receive decisions automatically through our Portal. Online payments through a customized login offer convenience to patients.*

When you partner with Jovai Capital you enjoy immediate payment for services rendered. Customized options ensure you can increase revenue and broaden your market share.
